

Prenez soin de vous Sophie Calle

Prenez soin de vous, Sophie Calle's work chosen to exhibit in the French Pavilion at the 2007 Venice Biennale will be soon on display at the Bibliothèque nationale de France.

The exhibition will be held at the Richelieu site from 26 March to 8 June 2008. Sophie Calle will invest the Labrouste historic reading room that closed to the public ten years ago.

« The Labrouste reading room will be the surprising as well as the most appropriate exceptional setting for Sophie Calle's work, echoing manuscripts and photographs collections stored by the library at the Richelieu site »: declares Bruno Racine, President of the BnF.

As in Venice, the exhibition is supported by the Fondation Jean-Luc Lagardère. CULTUREFRANCE, that initiated the French Pavilion, and the Institut national d'histoire de l'art are also involved in the project.

This event benefits from the generous support of « Champagne Louis Roederer ».
